The person named on the front of this sheet («test subject») hereby commissions ender diagnostics ag, Freiburgstrasse 251, 3018 Bern, Switzerland, company number CHE-313.908.198 («ender») as follows:

1. ender is instructed to carry out the test for COVID-19 infection mentioned on the front page. Acceptance of the order by ender is automatic unless ender informs the test subject otherwise by SMS or e-mail within 2 hours of submission.
2. ender will endeavour to communicate the test result to the test person by encrypted e-mail within 45 minutes (ender Platinum) or 3 hours (ender Fast) of the test person submitting the sample.
  - Samples for ender Platinum must be submitted by 21:00.
  - Samples for ender Fast must be submitted by 19:00.  
Later samples will be evaluated by 08:00 on the following day.

If the test result is not available within 5 hours, taking into consideration the time of sample delivery, the test person is entitled to repeat the test without further costs or to demand a full refund of the price paid. All other claims against ender are excluded.

3. The test person acknowledges that the respective test does not have one hundred percent reliability and therefore in rare cases false negative or false positive test results cannot be excluded.
4. The test person acknowledges that the offers in the test centres at Zurich Airport are only available to asymptomatic persons. Furthermore, no persons can be tested who wish to end a quarantine prematurely or who have been in contact with a person who has tested positive. Also, no receipts or reimbursement documents for health insurance companies will be issued.
5. ender is entitled to call in third parties to fulfil the order or to delegate work to third parties. Due to the legal requirements, ender is obliged to have the test carried out/ accompanied by a certified laboratory and is liable for the correct processing of the order. With regard to the work of the certified test laboratory, ender shall only be liable for proper selection and instruction. ender is only liable for damages incurred by the test subject in connection with the use of the test results in the event of gross negligence or intentional conduct on the part of ender. In any case, liability is limited to the price of the test.
6. The test person expressly consents to the processing of his/her personal data by ender and third parties commissioned by it and based in Switzerland and/or the EU. This data is used exclusively for the processing of the order and is deleted after a reasonable period of time. They may not be used or passed on by ender or third parties commissioned by it for advertising purposes. The test subject acknowledges that in the event of a positive test result, the testing laboratory is obliged to notify the competent authorities of the test result and the test subject's personal details. People who test positive for infection with the coronavirus must act in accordance with the instructions of the authorities (for more information, see the website of the Federal Office of Public Health [www.bag.admin.ch](http://www.bag.admin.ch)).
7. This order is completed upon communication of the test result. Samples cannot be used more than once.
8. Any amendment, modification or extension of this order requires the written consent of ender and the test subject.
9. This order shall be governed exclusively by Swiss substantive law. All disputes arising out of or in connection with this order shall be decided exclusively by the courts of the City of Bern.
